

# BERKELEY SOCCER ASSOCIATION PARENTAL PARTICIPATION AGREEMENT

Parents whose children participate in the Berkeley Soccer Association must volunteer two (2) hours per family per season to the organization.

A check for \$50 will be collected at registration. For families whose players participate in both the fall and spring seasons, the initial check will be transferred to the spring upon completion of your volunteer hours. For those whose children are playing just the fall season, the check will be returned at the end of the fall season.

For spring-only registrations, the participation check will be collected in the spring. Volunteers are critical to helping Berkeley Soccer provide a quality experience for all the children, so please help.

I understand that my participation check will be deposited if I do not complete my two hours of volunteer time.
